

SYI—STRATEGIES FOR YOUR IMPROVEMENT

A Developmental Guide for Educational Leaders
Utilizing 360° Feedback

LARRY D. COBLE • MELODY H. CLODFELTER • DALE L. BRUBAKER

Research suggests that 360-degree assessment offers the most credible source of feedback for enhancing one’s leadership. However, developing leaders who receive this feedback are often hard pressed to know how best to address their developmental need areas. *SYI - Strategies for your Improvement* relies on research and the lived experiences of the authors to identify proven strategies for improvement on an array of leadership competencies specifically for educational leaders. The user-friendly format will be helpful to the leader in creating a professional development plan for further growth while responding to 360-degree feedback. It is useful as leaders coach and mentor developing leaders on their staffs.
